HYDRAFACIAL

The HydraFacial procedure is suitable for most skin types, including thin or aging skin, ethnic skin, and dry skin or oily skin. Start your skin maintenance program now with HydraFacial to slow down your skin's aging process and delay the need for invasive procedures. HydraFacial is the only **hydradermabrasion** procedure that combines cleansing, exfoliation, extraction, hydration and antioxidant protection simultaneously, resulting in clearer, more beautiful skin with no discomfort or downtime.

HYDRAFACIAL™ PACKAGES

Available

GLYSAL CLINICAL PEEL

This clinical peel effectively uses glycolic and salicylic chemicals to gently remove impurities from the skin. Designed to refine fine lines and wrinkles, reduce pigmented age spots, minimize the appearance of large pores, clear acne and improve overall texture of your skin. Packages available.

30 minutes | Reg: \$95 VIP: \$70

LASER HAIR REMOVAL

Most people find the Pain-Free, Hair-Free™ diode laser hair removal system quite comfortable. While pain tolerance is subjective, many patients describe it as soothing as a "Hot stone massage." Most conventional laser hair removal technologies utilize massive amounts of heat to destroy hair follicles and ensure permanent reduction. Pain-Free, Hair-Free™, on the other hand, is a unique technology that delivers low heat levels at a fast delivery.
